

Odd & Even Numbers

How many
Even _____ Odd _____

How many apples in the Jar? _____

A large, rounded rectangular jar is shown. Inside the jar, there are ten apples arranged in three rows. Each apple has a number written on its surface. The numbers are: 10, 0, 7, 4, 1, 8, 3, 2, and 9. The jar is empty of actual apples, but the numbers are placed on the outlines of the apples.
